

IMMANUEL SPEAKS  
JUNE 2022

Dear friends in Christ,

Just a few days ago we celebrated Memorial Day, the unofficial/official start of summer. It is a time of transition. School is out and the kids are home for the summer. The weather is getting nicer and nicer and it is time to have a little more fun isn't it? For many it means taking time away from work to enjoy: vacations, fishing, outdoor activities, gardening and the beauty and wonders of God's creation. After all, there are roughly 13 weeks before school starts and the weekly grind begins again for many.

As the month of June opens, in the life of the church it is also a time of transition. I began my sabbatical (a time of rest, renewal, & study) and will be out of the office until September 5<sup>th</sup>. Luann has arranged pulpit supply for the summer and we have created a visitation team to give communion and visit while I am away. In the case of emergency or death and you need pastoral care, I will be available, so please don't hesitate to call.

We also transition from the season of Easter to the Pentecost season. On Sunday June 5<sup>th</sup> we will hear those familiar words spoken by Jesus to the disciples, "You will receive power when the Holy Spirit has come upon you; and you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth" (Acts 2:8).

As we transition into summer life we are reminded that like Jesus' original disciples, we who have been called into relationship with God have been filled with the Holy Spirit and sent to be Jesus' witnesses here in Clara City, Chippewa County, Minnesota, and to the ends of the earth. So what exactly does that witness look like? Here is my answer. We tell God's story and our story and we live out God's story.

First we tell our story. In Acts chapter 17 the apostle Paul is in Athens sharing the good news. As he prepares to speak to the people he takes a tour of the city and notices how religious the people of Athens are. He notices all of the different temples, shrines, and altars to different gods. Then he comes upon an altar to an unknown god. Paul then sees an opportunity. This unknown God whom the people of Athens worship Paul knows. And so what does Paul do??? He tells his story about his encounter with God to the people. He shares his story and experience of God with the people of Athens.

What does it mean to be a witness? We tell our story like the apostle Paul. We share our experience of God with others. 15 years ago when I was in Seminary in my intro to preaching class one of the first assignments was to tell our faith story. The professor described the situation as an elevator speech. You are on an elevator with another person and you have 30 seconds to share your faith, what would you say.

It was a help exercise 15 years ago and is still helpful today as it continues to remind me that I have a story to share. And the amazing thing about the message I and we all have to share is it isn't rocket science.

Like the apostle Paul we are called to simply share our experience with God so that others might come to know God's amazing love, grace, forgiveness, and compassion. We can all tell a story can't we? Then guess what, we all have an elevator speech, a story, a witness to share!

Secondly, we live God's story. So what does that mean? I think we can answer those questions with one little yet very great and powerful word: LOVE. In John 13, on the night before Jesus was crucified he would give his disciples a new commandment; "I give you a new commandment, that you love another. Just as I have loved you, you should also love one another. By this everyone will know that you are my disciples, if you have love for one another."

As Christ has loved the world to the point of and beyond death itself; we are called to follow that example. So what in the world does that look like? In Matthew 25 Jesus tells the parable of the sheep and goats and we hear the call to: feed, provide drink, welcome, clothe, care for the sick, to visit the prisoner. It is all about loving our neighbor as we love ourselves. Every night as we sit down to dinner as a family we pray the prayer "Come Lord Jesus be our guest..." But did you know there is a second verse to this common table prayer. It goes like this, "Blessed be God who is our bread; may all the world be clothed and fed." The second verse continues to remind me that we have a calling to fulfill. As our gracious God showers us abundantly with all we need for this body and life, our call is to also be generous and abundant with what we have so that all the world might have their basic needs met and know God's love for them.

My friends, we are in a time of transition: from spring to summer, from the season of Easter to the season of Pentecost. We are reminded that like those first disciples and those who have gone before us, we are called to be witnesses to God and God's amazing grace. We have a story to share in both word and deed! Go, be witnesses here in Clara City, Raymond, Maynard, and Chippewa County! Go, be witnesses at the lake or ball field. Go, be witnesses throughout Minnesota, the U.S. or wherever your summer travels may take you!

In Christ,

Pastor Joel

## **THE TIME IS HERE**

Pastor's Joel's sabbatical begins on May 30<sup>th</sup> and will continue through September 5<sup>th</sup>. He will be back in the office on the 6<sup>th</sup> of September. Throughout the summer, we have been able to secure pastors for all but two Sundays thus far. Calls are out for these Sundays and I feel confident we will find someone, if not, on to Plan B! I have some ideas for that as well!

During this sabbatical time, Pastor Joel will continue to be available for physical or mental health emergencies. If you have general questions, Kathy will continue to work Tuesday and Thursday mornings in the church office. Feel free to leave a message on the church office answering machine or call me at 320-905-4195.

A "sabbatical" is not something most of us are familiar with, but according to information provided by the Synod, the concept is grounded on the biblical idea of Sabbath rest. I view it as an opportunity for Pastor Joel to spend time with his family, rebuild his energy and spiritually renew himself. It gives us a chance to continue to grow those seeds of love, for our Lord and each other that he so enthusiastically tries to nurture in us.

We are thankful that Pastor Joel will be staying at Immanuel. Please continue to keep him and his family in your prayers.

For the next 3 month, let's all work together in giving him space as a pastor, and appreciate him as a friend, community member and fellow Christian.

LuAnn Kruger  
Church Council President
