

## **IMMANUEL SPEAKS**

### **JANUARY 2026**

Dear Friends in Christ,

An author by the name of Robert Gallagher once said, "Change is inevitable — except from a vending machine." Change is one of the constants of life. As we close one year and begin another we have all experienced change in one way or another. For good or for ill all of us have been affected by change this past year. We can also be sure that as 2026 begins, the new year will bring more change to our lives in one way or another.

My friends, what will the new year bring for the world, for you, and for me? Time will only tell. However, as a people of faith I believe there is one thing we can know for certain about the new year. We can be certain of God's love for us. We hear these words from the prophet Isaiah, **"Though the mountains be shaken and the hills be removed, yet my unfailing love for you will not be shaken nor my covenant of peace be removed, says the Lord, who has compassion on you" (Isaiah 54:10).**

These were words spoken to the people of Israel as they began their return from exile. And believe me these people knew change. These words were spoken to a people who had been taken from all that they had known. They had been torn from family members, their homeland, the temple, and forced to live in a foreign country. Sitting by the rivers of Babylon the people would weep at what was lost. Sitting by the rivers of Babylon the people of Israel looked towards an uncertain future. Talk about change!!!

And yet even though their world was thrown upside down by change; God reminded them that God was with them. God reminded the people that God's love and covenant with them could not be broken. The people of Israel who had been taken into exile would return to the Promised Land and rebuild the city, temple, and their lives. God would remain faithful to the promises that God had made!

In the same way my friends God continues to speak this message to us. As the years roll by and change occurs, the promise we have is this, "God's steadfast love will endure forever". We turn to the cross and see God's great love for us as Christ took upon himself our sin and our death. We turn to the empty tomb and see that God has conquered death, assuring us that as Jesus lives so shall we.

When we gather to worship we turn to the baptismal font where through water and God's word we are sealed with the Holy Spirit and marked with the cross of Christ forever. We are claimed as one of God's beloved children! We come to the table and are strengthened and nourished as we receive Christ's own body and blood given and shed for us for the forgiveness of sin. We see the face of Jesus in our fellow sisters and brothers in Christ who are there to laugh and cry with us. We see the face of Jesus in our fellow sisters and brothers in Christ who are there to help bear our burdens. No matter what change occurs as Christians we have a sure and certain hope that our God is Emmanuel, God with us now, always, and forever!

My friends, what will 2026 bring to your lives and mine? We cannot say for certain. However, one thing we can be sure of, and it is this, "Though the mountains be shaken and the hills be removed, yet my unfailing love for you will not be shaken nor my covenant of peace be removed," says the Lord, who has compassion on you."

Happy New Year, *Pastor Joel*
